

Get it done your way

Meet the new Surface Pro 7+ for Business

Ultra-light and versatile

Work the way you want with our ultra-light 2-in-1. Surface Pro 7+ is portable enough to take anywhere starting at just 1.7 pounds,¹ yet powerful enough to handle all your business apps. USB-C® and USB-A ports let you charge devices or connect the accessories that help you stay productive.

More from the Pro you know

Get intensive tasks done 2.1 times faster than before and enjoy improved all-day battery life² with the 11th Gen Intel® Core™ Processor. The new removable SSD hard drive allows you to stay in control of sensitive information. A familiar form factor ensures you'll continue to get the most out of your Surface Pro accessories across generations.

Adapts to the way you work

Surface Pro 7+ for Business has multiple modes to give users ultimate versatility. Connect with customers in touch-first tablet mode, open the kickstand and attach the Surface Pro Signature Keyboard* for a full laptop experience, or lower into Studio Mode for the perfect 15-degree writing and drawing angle with Surface Pen.*

Stay connected with LTE Advanced³

Optional LTE Advanced³ keeps you connected to work and customers even when out of Wi-Fi range and in nearly any country. Your business benefits when employees stay productive without depending on lagging internet speeds. Avoid data security risks of connecting to unsecured public Wi-Fi and keep sensitive information safe.

Surface for Business unlocks more value
 Surface customers save time and money with streamlined deployment, modern device management, and built-in, cloud-powered security. Connected experiences empower people, data, and systems to make the most of your Microsoft 365 investment.

Exterior	Casing: Signature unibody magnesium design with hidden perimeter venting Colors: Platinum, Matte Black ⁸ Physical buttons: Volume, Power
Warranty⁹	1-year limited hardware warranty

¹ Sold separately.
² Weight not including Type Cover.
³ Surface Pro 7+: Up to 15 hours of battery life based on typical Surface device usage. Testing conducted by Microsoft in November 2020 (Surface Pro 7+ with Intel 11th Gen Intel® Core™ i5-1135G7 @ 2.40GHz, 256 GB SSD, 8 Gb DRAM) using preproduction software and preproduction configurations of Surface Pro 7+. Testing consisted of full battery discharge with a mixture of active use and modern standby. The active use portion consists of (1) a web browsing test accessing 8 popular websites over multiple open tabs, (2) a productivity test utilizing Microsoft Word, PowerPoint, Excel and Outlook, and (3) a portion of time with the device in use with idle applications. All settings were default except screen brightness was set to 150nits with Auto-Brightness disabled. Wi-Fi was connected to a network. Battery life varies significantly with settings, usage and other factors.
⁴ Requires license or subscription to activate and use.
⁵ Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businesstrialinfo>.
⁶ System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1GB = 1 billion bytes. 1TB = 1,000 GB. See Surface Storage for more details.
⁷ Compatible with the Surface Pro Type Cover and Surface Pro Signature Type Cover only (sold separately).
⁸ Available colors for Type Cover (sold separately) and Surface Surface Pro 7+ may vary by market and configuration.
⁹ Microsoft's Limited Warranty is in addition to your consumer law rights.
